

ZIMMER+ROHDE

Product data sheet

This laid-back soft upholstery fabric has a finely woven structure that combines natural tones of sand, earth and wood. Each individual colorway is the result of a two-tone yarn mélange, in contrasting tones.

This soft but hardwearing structural fabric is best appreciated on large-scale softly upholstered furniture that emphasises its cozy nature.

In terms of color, ANTONI can be combined with the ELSWORTH, PANAMA WOOL and INFINITY BOUCLÉ upholstery fabrics.
