DYEING METHOD	yarn dyed
PILLING (EN ISO 12945-2)	-
RAPPORTWIDTH	14 cm
RAPPORTHEIGHT	14 cm
MANUFACTURING METHOD	-

Product data sheet

A creative hand-blocked geometric print on a slubbed linen-blend ground inspired by planting patterns in garden design drawings, 'Boxwood' is finished with hand embroidery in twisted cotton, creating loose, architecturally inspired patterns that dance across the cloth. The result is a highly textural and expressive decorative fabric with an intense character.
